SUMMARY OF BILL: Authorizes individuals with a handgun carry permit to possess or carry such weapon on the grounds of any public park, playground, civic center or other building facility, area or property owned, used or operated by any local government or the state for recreational purposes. Current law prohibits such possessing or carrying a weapon on such premises with some specific exceptions.

ESTIMATED FISCAL IMPACT:

Decrease Local Govt. Revenues - Not Significant

Decrease Local Govt. Expenditures - Not Significant

Estimate assumes impact depends upon the number of persons not convicted of this offense who would have been in the absence of the bill and the resulting decreased cost to local governments not having to confine such persons versus the decreased revenues to local governments from fines not levied or collected under the provisions of this bill.
